1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given during a telephone interview with Mr. Gerald Levy on June 29, 2000. During the interview, Mr. Levy authorized the addition of limitations to claim 83 which recite the position of the reclosable tape with respect to the bag walls. Claim 83 has been rewritten as claim 85. Mr. Levy was questioned as to what the broken line in Figure 15 was intended to indicate. He stated that it was a response to the last objection in paragraph 3 of the last Office Action. However, he decided that the "indicated lines" would not be visible in Figure 15 and that the broken line should not be included. Instead, "(FIG.15)" should be deleted from line 15 on page 22. The drawing changes are otherwise approved.

2. The application has been amended as follows:

(1) Claim 83 has been canceled, and the following claim has been substituted for it:

~~83.~~ 85. A snack bag comprising:

a reclosable tape secured to the inside surfaces of opposing bag walls;  
said reclosable tape having a reclosable interlocked fastener connected to said tape;  
said tape having a loop having a fold;  
said loop having an inside loop surface;  
said reclosable interlocked fastener being connected to the inside surface of said loop;  
said inside loop surface being non-sealable; and  
further comprising a thin sealant layer disposed above said reclosable tape on the inside surfaces of said opposing bag walls to provide for ease of opening said snack bag.

Art Unit: 3727

- (2) Claims 30, 32, 33, and 42-43 have been canceled because they are directed to a non-elected invention.
- (3) The first two lines on page 1 of the written description have been canceled.
- (4) The first five lines under "Background of the Invention" through "James R. Johnson" on page 1 of the written description have been canceled.
- (5) The following sentence has been inserted on the first page of the written description after the title:

--This application is a division of U.S. Application No. 08/899,434, filed July 24, 1997, which claims the benefit of U.S. Provisional Application No. 60/022,353, filed July 24, 1996; U.S. Provisional Application No. 60/036,186, filed January 18, 1997; and U.S. Provisional Application No. 60/035,051, filed January 22, 1997.--
